Dear Dr. Sinks and Colleagues,

We would like to thank everyone who joined us on June 29 for your participation and for your time in this meeting. Miriam Rotkin-Ellman has followed up with Ms. Kumar directly regarding the meeting minutes.

In this message, I'd like to provide our thank you letter and some additional information, as promised -- please see attached. If there are documents cited here but not attached that you would like to receive, please just us know.

Since our meeting, a coalition of 50 signatory groups and advocates emphasized the importance of the issues we have discussed with you, as part of comments submitted to EPA's Office of Environmental Justice regarding Plan EJ2020 (environmental justice strategic plan for 2016-2020). Please just let me know if you would like a copy of those comments as well.

As noted in today's letter, we are each available to talk further at your convenience, and we greatly appreciate your efforts.

Very best regards,

Emma Cheuse
